Anshul Raj Verma

AI Engineer | Bihar, India | ✉ arv.anshul.1864@gmail.com | ○ github.com/arv-anshul | in linkedin.com/in/arv-anshul | ⊕ arv-anshul.github.io

WORK EXPERIENCE

LeapX.ai   2024-07 – 2024-11
Data Science Intern

- Built a chat-with-data Chatbot to query data generated from running campaigns on different platforms.
- Developed REST API for Ads Campaigns Dashboard using FastAPI, Meta Ads API and MongoDB.
- Finetune BERT Transformer model for Intent Classification of Search Keywords to choose better keywords for campaigns.
- Built an ETL pipeline and scheduled with CRON job to store Ad Campaigns data into MongoDB every hour for different breakdowns.
- Scheduled a Web Scraper with CRON job to scrape website on weekly basis and store the data into DB using Scrapy framework.

PROJECTS

YouTube Comment Sentiment   *Machine Learning, MLOps, Docker, VueJs* – [Link]
- Trained a ML model to predict the sentiment of youtube comments.
- Used MLFlow, DVC with DagsHub for ML Pipline's experiment tracking.
- Develop REST API to serve the model and fetch data related to youtube videos using FastAPI.
- Built frontend using VueJS and deployed on GitHub pages using GitHub Actions.

Canvas AI   *LLM, Google Gemini, LangChain* – [Link]
- Evaluate Mathematics or Physics expression by drawing your problem on Canvas.
- Uses Google Gemini Flash to analyse canvas drawing and extract the expression out of it.
- It provides a comprehensive solution to the extracted expression using its multimodal capabilites.

SKILLS

Languages: Python, HTML, CSS, JavaScript
Frameworks: FastAPI, MCP, LangChain, PyTorch, Transformers, Tensorflow, Redis, MySQL
Libraries: Polars, Pydantic, LangChain, Scikit-Learn, HuggingFace, Scrapy
Developer Tools: Git, GitHub, Docker, Google Gemini, OpenAI
Languages: Hindi (Native Speaker), English (Professional Speaker), Magahi (Native Speaker)

EDUCATION

DAV Public School   2021 – 2022
10th | Secondary Education   *90%*

Manas Vidyalaya, Jehanabad   2024 – 2025
12th | Higher Secondary Education   *58%*

LNCT Excellence, Bhopal, MP   2025 – 2029
B.Tech. (CSE/DS) | Under Graduation

CERTIFICATES

CampusX DSMP, CampusX   2025
Machine Learning | MLOps | ETL Pipeline
